Editor's Note:

As Pinoys, don't we just love reunions and homecomings?

In this issue, I'd like to share the musings of our Events Manager Donna Reyes, who, like many of you, call both America and the Philippines home. She had the opportunity to welcome fellow Fil-Ams who visited Manila recently. Here's her story:

Bayani Tour, "It's Not Just a Tour. It's a Journey Back Home."

In February, GMA International had the pleasure of meeting and capturing the story of second-generation Filipino-Americans led by the so-called "youtube sensations", AJ Rafael, Joseph Vincent and Jeremy Passion who were part of the Bayani Tour organized by Gawad Kalinga USA and the Philippine Department of Tourism. With the mission of discovering their roots, understanding their history and giving back to the land of their ancestors, the group visited historical sites in Manila such as Intramuros, Luneta Park, Ayala Museum and Malacañan Palace. They also visited landmark destinations in Palawan including the Underground River, "One of the New 7 Wonders of Nature". Their last stop was at Gawad Kalinga's Enchanted Farm in Angat, Bulacan where they learned about Gawad Kalinga's community development programs and social entrepreneurship initiatives that engage the poor to become part of a productive citizenry.

GMA International supports many worthwhile events organized by Filipino organizations overseas, and the Bayani Tour resonated strongly with me. My husband and I are Filipino-Americans who spent a significant chunk of our life in Chicago. We moved to the Philippines two years ago to take care of my mother who was ill. Mom has long recovered from her illness but my husband and I decided to stay not only because of business and career opportunities available here, (the Philippines is on its way to becoming an Asian tiger economy, according to Bloomberg, if you haven't heard yet), but to see what we can contribute in continuing to build a strong nation.

As the Bayani Tour declares, coming back home is truly a journey. While I and my husband continue to search for ways to contribute toward nation building, I am proud to be part of GMA International's mission to bring Filipinos closer to home by capturing and telling the stories of the Filipino, wherever we are in the world.

GMA Keeps the Bar for Elections Coverage High with Formidable Partnerships

"It has indeed become necessary that the delivery of news be essentially in real time as information now flows fast and free in a world without borders," GMA Network Chairman and CEO Atty. Felipe Gozon said, in reference to the recently concluded elections in the United States, which he considers a preview of things to come for this year's election as far as media coverage is concerned.

Forging stronger ties with formidable names in the media, telecommunications, technology, research and the academe, business groups, public service and government organizations, the Philippines' news authority, GMA Network, gears up to mount the most comprehensive and most credible coverage of the 2013 elections.

Gozon also added that the key responsibility of delivering news and information about the Philippine elections and how they affect the Filipino people here and abroad is, at best, a shared goal among like-minded individuals and groups like the GMA Network and its election partners.

Dubbed Eleksyon 2013, GMA Network's special coverage of the 2013 elections brings together the best and most distinguished organizations in an unparalleled partnership to keep people up to date with developments in the hope for a clean, honest, efficient electoral exercise.

"That is why we are very proud of the many prestigious names in our Eleksyon 2013 partnership. This is proof that we are keeping the bar for media coverage of the elections high not only among us partners, not our respective clients, but moreso for each and every Filipino whose right to vote is enshrined in the Philippine Constitution," Gozon also said, adding that the Eleksyon 2013 partners are not only driven by a singular passion for excellence in their respective fields, they are also in it for public service and the strong motivation to do what is right for the Filipino people.

Led by GMA Chairman & CEO Gozon and GMA President and COO Gilberto Duavit Jr., the Kapuso Network brings in in full force its internal partners—GMA News and Public Affairs, GMA News TV, GMA International (GMA Pinoy TV, GMA Life TV, and GMA News TV International), GMA New Media Inc., GMA News Online, RadioGMA, DZBB, DWLS FM, and the GMA Kapuso Foundation.

Also signing for their respective organizations are long-time partners who are committed to join hands with the Kapuso Network: the Philippine Long Distance Telephone Company (PLDT) and Smart Communications led by Chairman Manuel V. Pangilinan and PLDT President and CEO Napoleon Nazareno; the Philippine Daily Inquirer represented by its President and CEO Alexandra Prieto-Romualdez; Inquirer.Net President Paolo Prieto; Ambassador Amable Aguiluz V of the AMA Education System; Malou Mangahas, Executive Director of the Philippine Center for Investigative Journalism (PCIJ); Fr. Francis Lucas of the Catholic Media Network (CMN); Ambassador Henrietta de Villa, Chairperson, and Ana De Villa-Singson, National Media and Communications Director of the Parish Pastoral Council for Responsible Voting (PPCRV) and of course Commissioner Elias Yusoph of the Commission on Elections (Comelec).

Coming in strong for the academe are Ateneo de Manila University with Vice-President for Social Development Atty. Jaime Hofileña; Bro. Ricardo Laguda, President of De La Salle University; Dean Rolando Tolentino of the UP College of Mass Communication, Dean Ramon Clarete of the UP School of Economics, and Dr. Evelyn Songco of the University of Sto. Tomas.

The MOA signatories also included YouthVote Lead Convener Natalie Christine Jorge, RockEd Founding Director Therese 'Gang' Badoy, Punongbayan and Araullo Partner for Advisory Services Michael Gallego, Philippine Chamber of Commerce and Industry President Atty. Miguel Varela, Chamber of Commerce of the Philippine Islands President Jose Luis Yulo, Jr., Philippine Bar Association First Vice-President Atty. Beda Fajardo, and Philippine Red Cross Director for Special Concerns Paul Gwyn Paganan.

With the above roster of partners, GMA's Eleksyon 2013 coverage becomes an even more anticipated television event for Filipino viewers here and abroad. Filipinos all over the world can catch the coverage on GMA Pinoy TV, GMA Life TV, GMA News TV International, DZBB and DWLS. Cha-cha-cha with Ryzza!

The pint-sized wonder is ***eat bulaga!***'s new joy!

Gaya ng famous na singer at actress na si Aiza Seguerra, bunga ng Little Miss Philippines si **Ryzza Mae Dizon**. Hindi nag-aksaya ng panahon ang mga taga Eat Bulaga para gawing regular ang nakakagigil-sa-galing na batang ito! Ang pinaka-pamosong pina-uso ni Ryzza ay ang kanyang unique na cha-cha, na kinagigiliwan nang isayaw ng marami. Let's know more about Ryzza!

Anu-ano ang mga nagbago sa buhay mo mula nang manalo ka sa Little Miss Philippines at naging dabarkads ka sa Eat Bulaga?

Sumaya po ang buhay ko. Nakakabili po ako ng mga gusto ko pong kainin tulad ng paksiw at adobo atsaka kalabasa. Nabibilhan ko rin po ng mga regalo kapatid ko. At nagiging busy po ako dahil may taping po ako ng bago kong show.

Sino ang nagturo sa iyo ng kakaiba mong cha cha step? Inakala mo bang magiging usong-uso ito?

Yung katabi ko po (Kuya Jack). Naka pang chef ako na costume nun tapos may music po. Nagkatuwaan lang po kami tapos ayun po, nag cha cha po ako tapos dinagdagan ni Kuya Jack ng galaw ang mga kamay po.

Sinu-sino ang mga gusto mong pasalamatan sa tagumpay mo?

Si Bossing (Vic Sotto) po at ang buong Eat Bulaga dahil kung hindi po sa kanila, hindi po ako magiging artista. Ang mga fans rin po dahil sila ang sumusuporta sa akin. Masaya po ako pag nakikita ko silang masaya. Pero ayoko po pag kinukurot ako kasi masakit.

Para sa iyo, ano ang katangian ng cute na bata?

Katulad ko po- bibo, masunurin, mataba, mabait, makulit at sumusunod sa magulang at nag-aaral nang mabuti.

Ano pa ang pinapangarap mo?

Gusto ko po talaga maging artista. Atsaka make-up artist atsaka chef. Gusto ko mag-make-up ng mga babae at lalaki. Chef po para po maluto ko ang mga paborito ko pong pagkain tulad ng adobo.

Ang Eat Bulaga, tatlong oras nal Catch Ryzza and the rest of the Dabarkads on GMA Pinoy TV!

Walang Tulugan with the Master Showman

GERMAN "KUYA GERMS" MORENO

50

years na pagpapasaya, pagtulong, pag-aaruga, at pagtatanghal – 'yan ang mga ibinunga ng ginintuang puso ng ating Master Showman.

Sa limang dekada ni German Moreno sa showbiz, siya na marahil ang pinaka kilala at matatag na host, comedian, at talent manager sa Pilipinas. Mula sa pagiging janitor at telonero (curtain raiser) sa Clover Theater, nagtanghal siya sa *bodabil* nang matapos ang giyera. Mula nang mag host siya ng **GMA Supershow** noong late '70s, tuluy-tuloy na ang pagiging markado ni Kuya Germs sa showbiz with **That's Entertainment**, at hanggang ngayon, ang **Walang Tulugan with Master Showman**.

Napakarami at napaka valuable ng mga kontribusyon ninyo sa industriya. Alin sa mga ito ang inyong initatanging mga milestone?

Syempre yung mabigyan ng pagkakataon na magkaroon ng show dito sa GMA, from Germside then Germespesyal to GMA Supershow. Itinuturing ko ding milestone ang mga personalities na dumaan sa alaga ko - sina Jackie Lou Blanco, Sharon Cuneta, Dawn Zulueta, Zsa Zsa Padilla; yung mga nag-gragraduate sa *That's Entertainment* tulad nila Lea Salonga, Ruffa G, Vina Morales. It's an achievement for me dahil may mga taong nagtiwala talaga sa akin at sa skill ko sa pag-spot ng talent.

Sino sa totoong buhay si "Kuya Germs"?

Love ko ang showbiz. Matapat ako. I'm not perfect but I try my best to be loyal, hindi nasisilaw sa pera. Maraming pagsubok ang dinaanan ko pero naging loyal ako sa GMA dahil I want to prove something. Palagi ko pine-pray kay God na kung meron pa akong kelangan gawin dito at may maitutulong pa ako sa industriya, dito nalang muna ako kesa wala akong ginagawa sa taas.

Ano ang inyong staying power?

Minsan nga binibiro ako na GMA actually means German Moreno and Associates (laughs) (*He has been with GMA for 40 years-Ed*).

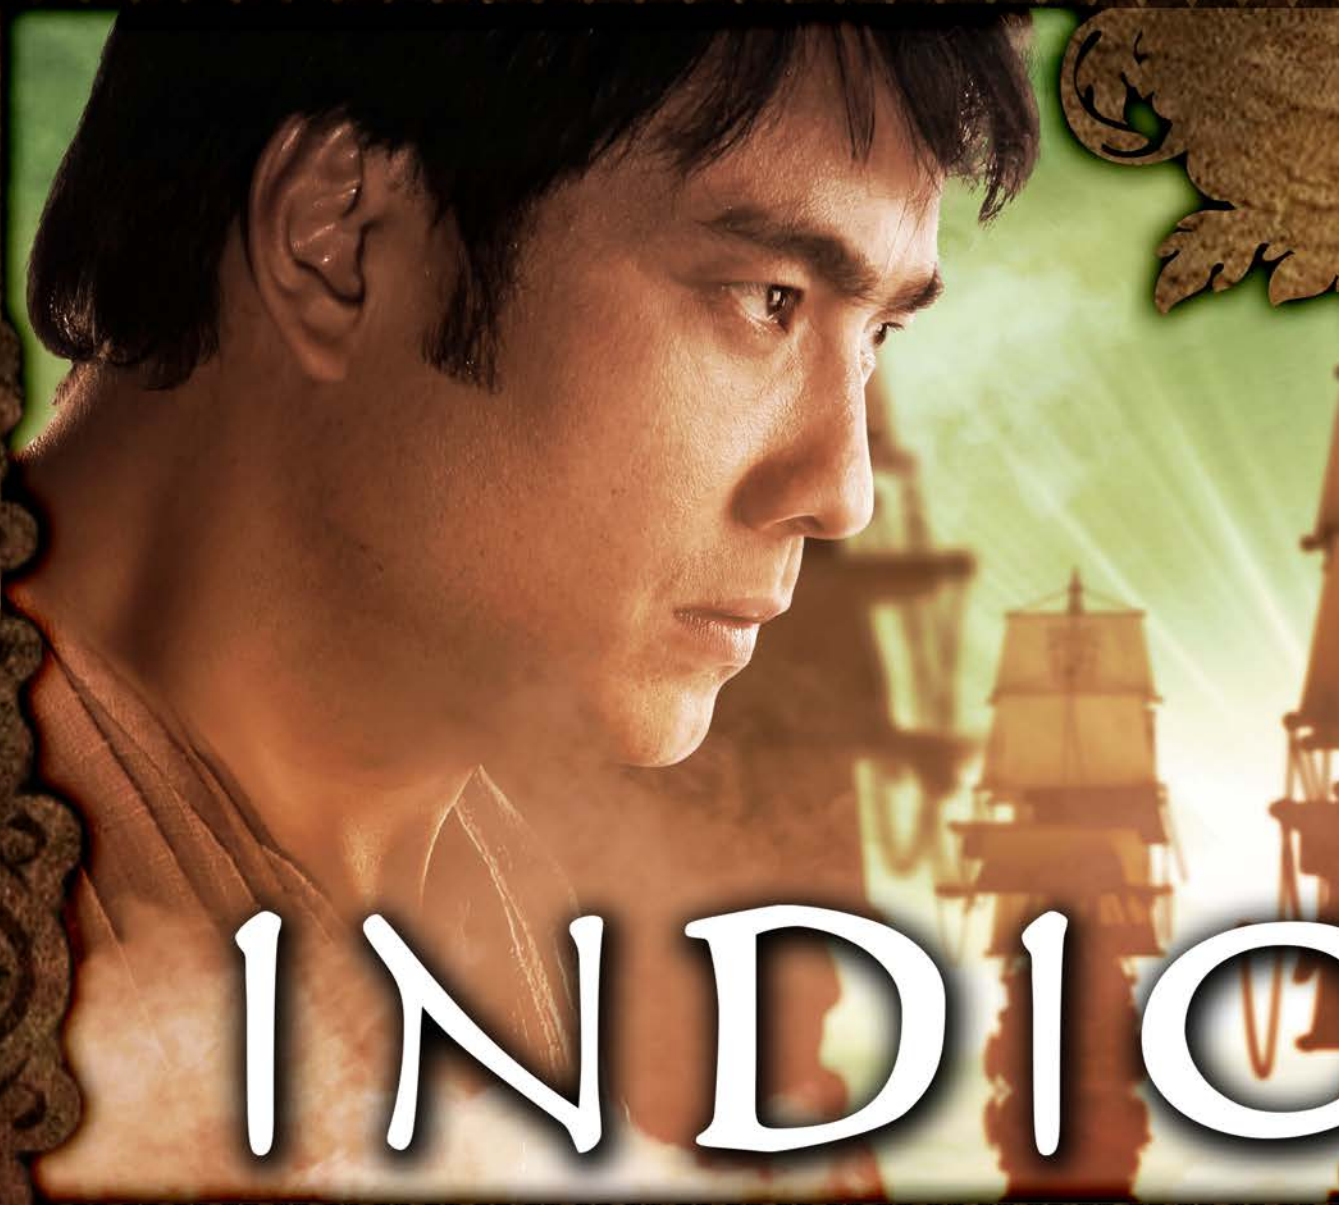

Staying power ko yung relationships ko sa tao, yung PR. Ayoko maging plastic. Lagi kong pinagmamalaki kung paano ako nagsimula. Hindi ko masyado pinapahalagahan ang salapi. May kasabihan ako na ang kaibigan ang pinaka measure kung gaano kayaman ang isang tao. I share what I have with the people I discover, and with my friends. Lahat ng mga nasa network shine share-an ko po.

From GMA Supershow to That's Entertainment to Walang Tulugan with Master Showman, ano ang pinaka memorable moment ninyo?

Maraming ups and downs sa career ko at lahat 'yun memorable. Hindi ako sumuko. Nagpapasalamat ako't sa dami kong pinagdaanan ay marami parin akong nakukuhang awards - People's Choice, Gawad Tanglaw, Film Academy of the Philippines - yung shows ko nagkaroon rin po dito sa Pilipinas at sa ibang bansa rin.

Proud din po ako dun sa Walk of Fame Philippines, galing ito sa sarili kong funds. Malaking pasasalamat ko na may mga donors po that support my cause na gawing City of Stars ang Quezon City dahil andito po ang mga networks natin.

INDIO

Hindi lang budget ang bigatin dito sa most expensive drama-fantasy in Philippine television history na ito. Ang mga gaganap, ang pagkakasulat, ang settings, ang production team – lahat mga bigating rason para panoorin ang **INDIO**.

Si Senator Bong Revilla, Jr. ang bida na gaganap bilang Malaya/Simeon/Indio. *“Malaki ang utang na loob ko sa GMA na ako ay binigyan ng ganito kalaking proyekto para i-alay sa ating mga taga-hanga.”*, wika ni Senator Bong. *“Pinagpaguran ng lahat ng mga tao sa harap at likod ng camera, para mabigyan kayo ng isang bago at napakagandang pagkakalibangan simula sa January 14. Ang Indio ay isang pagbubunyi sa pagiging marangal ng bawat Pilipino, isang pagkilala sa mga magagandang katangian natin bilang isang lahi mula pa noon hanggang ngayon.”*

This celebration of the honorable Pinoy is set in pre-colonial times but the value imbedded throughout the story is timeless - selfless love for those close to our hearts. It is grandiose in every aspect, what happens behind the scenes and otherwise mimics that of the big screen.

INDIO springs to action with the battle of goddess *Ynaguiginid* against the colonizers as she also fights for the life of her son. Before *Ynaguiginid* cast her last breath, she passes her supernatural powers to her son. This is when the saga of a warrior unfolds.

A glitterati of stars portray the remarkable mix of characters in this original story: **The Sanreals**: **Jennylyn Mercado** as Esperanza ; **Jackie Lou Blanco** as Victoria; **Ramon Cristopher** as Don Antonio and **Michael de Mesa** as Juancho.

The gods and goddesses: **Rhian Ramos** as Dian Magayon; **Sarah Lahbati** as YnaGuiginid; **Sam Pinto** as Lidagat; **Rachelle Anne Go** as Libulan, **Ehra Madrigal** as Lihanghin; **Ellen Adarna** as Dalikmata; **Paolo Paraiso** as Adlaw; **Will Devaughn** as Barangaw; **Steven Silva** as Ribung Kilat, **Kyle Jimenez** as Santonillo and **Solenn Heussaff** as Lalahon.

GMA Pinoy TV's Teleserye ala Cine

Mga Taga-Ilaya: Jomari Yllana as Tarong; Agot Isidro as Linang; Ronnie Lazaro as Waray Lupig; Sheena Halili as Mayang, Daria Ramirez as old Linang and Dante Rivero as old Tarong with *Taga-Ilawod's* Melissa Mendez as Alicia; Vaness del Moral as Elena; Pekto as Pedro; John Feir as Juaning; Marco Alcaraz as Javier, Ping Medina as Diego and Robert Arevalo as Cosme.

Portraying very special roles in the series are Maxene Magalona as Rosa; Bea Binene as the teen Rosa; Jillian Ward as the young Rosa; Vincent Magbanua as the young Malaya/Simeon; Alden Richards as the teen Malaya/Simeon; Luis Alandy as Hangaway (Father of Malaya/Simeon); Bobby Andrews and Chinggoy Alonzo as Hernando; Lucho Ayala as the young Juancho; Carlos Morales as Mariano Sebastian; Princess Snell as the young Victoria Winwyn Marquez as Maria; Jon Achaval as Frayle Jacobe and Mark Gil as Miguel Lopez de Legazpi.

Historians from the University of the Philippines Dr. Vic Villan and Dr. Rolando Borrinaga oversee all the aspects of production for authenticity. The output of production designer Rodel Cruz', musical scorer Von de Guzman, creative engineer Suzette Doctolero with the supervision of Jake Tordesillas and Jun Lana, and director Dondon Santos in this exhilarating series will all be revelations of this close watch.

INDIO is created by the GMA Drama group, headed by Lilybeth G. Rasonable, Officer-in-charge for Entertainment; Ma. Regina Magno, AVP for Drama; Camille Hermoso, Program Manager and Meann Regala, Executive Producer.

It was taken (22nd Jan 2013) at Dubai Desert Safari two days before our 2nd Year Anniversary being in relationship. Our friends says this photo are so cool, cute, lovely as my Anniversary and Valentines Pic!

(Texas, USA)

The time of the picture was when my fiance got down on one knee and asked me to marry him. He took me to a yacht dinner with some friends (who took the picture), and after dinner he surprised me with the ring.

March 2nd 2013, he will forever be My Kapuso Valentine. Thank you for letting me share my most precious moment.

I to ang aking nag-iisang kapuso, sa hirap at ligaya sya ang nagpapasaya sa akin, nagpapatawa, sa kabila ng murang kaisipan, inalagaan nya ako tulad ng pag-aalaga ko sa kaniya. Kapag may sakit ako o dinaramdam nangyan sya para yakapin ako at sabihin nya "Don't worry mom every thing will be alright!!"

Timeline of my lifestyle with all of my interests and favourite things to do. My Mom inspires me into so many things and my life would not be complete or the same without her. -

March 2012 - Josh and I we're engaged! He proposed to me at Manila Ocean Park, it was super kilig. I moved to the states December 2012 and started planning our wedding this February - the love month.

This will be our first Valentines together abroad!

The two most "Special Kapusos" in my life, my parents, Papa Bhoj & Mama Liesel! This is a video of their love, from Mama's debut, their Wedding and now on their 20th Wedding Anniversary. From ups & downs, happy & sad, they've been through it all as ONE.

These are my special kapuso, my family and my friends... They will always be the most important people in my life.
