

PHILIPPINE FOOTBALL FEDERATION

8 July 2011

MR. MARKUS WEIDNER

Head of Coach Education and
International Relations
Deutscher Fussball-Bund

Dear Mr. Weidner,

Greetings!

Hope this letter finds you in good health. It has come to our attention that a certain **Paul Weiler** introduces himself as official PFF Consultant. The Philippine Football Federation (PFF) disavows any official relationship between PFF and Paul Weiler. Thus, the latter is not authorized to act for or in behalf of PFF on any matter concerning the affairs of the federation.

We pray that this clarification clears the PFF also on some transactions that Mr. Weiler might have done in the past using the good name of the Philippine Football Federation.

Thank you and best regards.

Sincerely,

Ramon F. Manuel
General Secretary
