14. ELENO MONASTERIAL MENDOZA, JR. (Mendoza), Acting City Accountant; and
15. MARIO VALENZUELA BADILLO (Badillo), City Government Department Head II,

all of Makati City, as embodied in the May 28, 2015 Complaint filed by the FIELD INVESTIGATION OFFICE (FIO) of the Office of the Ombudsman for **Grave Misconduct, Dishonesty, and Conduct Prejudicial to the Best Interest of the Service**, pursuant to Section 24 of Republic Act (R.A.) 6770 (Ombudsman Act of 1989), which provides:

Section 24. *Preventive Suspension.* – The Ombudsman or his Deputy may preventively suspend any officer or employee under his authority pending an investigation, if in his judgment the evidence of guilt is strong, and (a) the charge against such officer or employee involves dishonesty, oppression or grave misconduct or neglect in the performance of duty; (b) the charges would warrant removal from the service; or (c) the respondent's continued stay in office may prejudice the case filed against him.

The preventive suspension shall continue until the case is terminated by the Office of the Ombudsman but not more than six (6) months, without pay, except when the delay in the disposition of the case by the Office of the Ombudsman is due to the fault, negligence or petition of the respondent, in which case the period of such delay shall not be counted in computing the period herein provided.

Under this provision, two requisites must concur: *first*, that in the judgment of the Ombudsman or the Deputy Ombudsman, the evidence of guilt is strong; and *second*, which may be met in either of three (3) different ways – (a) the offense charged involves dishonesty, oppression or grave misconduct or neglect in the performance of duty; (b) the charge would warrant removal from the service; or (c) the respondent's continued stay in office may prejudice the case filed against him.²

The first requisite is present. Preliminary consideration of the allegations of the Complaint and its documentary attachments shows that the above-named respondents mutually aided one another in rigging and pre-arranging, in favor of pre-selected contractors, the procurement of the architectural design and engineering and construction services for the construction of the 10-storey Makati Science High School (MSHS) Building, with a total contract amount of ₱1,349,980,757.50, more specifically shown as follows:

With respect to the procurement of the architectural design and engineering services, respondents mutually aided one another in ensuring the award of the contract to *Infiniti*, pursuant to the directive to that effect given by then City Mayor Jejomar C. Binay, Sr. (Binay, Sr.), now Vice President of the Philippines,¹⁰ to then City Engineer Nelson B. Morales (deceased),¹¹ by purportedly resorting to negotiated procurement but without satisfying the conditions for the resort to alternative procurement and the requisites provided under Section 53 of the Revised Implementing Rules and Regulations of R.A. 9184 (Government Procurement Reform Act), in exchange for a monthly allowance of ₱200,000.00 each to the members of the BAC.¹² Respondents likewise created a semblance of competition by making it appear that they sent letters of invitation¹³ to architectural firms other than *Infiniti*, by falsifying proposals, signatures of firms' representatives, attendance sheets, and minutes of negotiation, with *Infiniti* the only firm supposedly submitting its proposal in an amount less than the Approved Budget for the Contract (ABC). The alleged participants in the negotiation, however, executed sworn statements¹⁴ denying actual participation therein. Notwithstanding the anomalies in the procurement, *Infiniti* was eventually fully paid, upon knowingly approving the disbursements¹⁵ relative thereto by then City Mayor Binay, Sr. and later by City Mayor Binay, Jr.

As regards Phases I to VI construction of the MSHS Building, respondents mutually aided one another in ensuring the award of the pertinent contracts to *Hilmarc*, again following the directive of then City Mayor Binay, Sr. to that effect through then City Engineer Morales. In similar fashion, they made it appear that public biddings (for Phases I, II, IV, V, and VI) and a legitimate negotiated procurement (Phase III) were conducted when in truth there were none. To ensure that the procurement processes would not be open to other competitors, they prepared Invitations to Bid¹⁶ which have incomplete information, falsified publications,¹⁷

falsified bid proposals,¹⁸ and proceeded with the receipt and opening of the incomplete proposals without the attendance of the end-user and COA auditors, all in violation of R.A. 9184 and its implementing rules and regulations. Again, despite these patent irregularities, *Hilmarc* was eventually fully paid in all six phases, upon knowingly approving the disbursements¹⁹ relative thereto by then City Mayor Binay, Sr. and later by City Mayor Binay, Jr.

All the circumstances for the second requisite are likewise present. Respondents are charged for mutually aiding one another in rigging and pre-arranging the procurement of the architectural design and engineering services in favor of *Infiniti*, and of the construction services for Phases I to VI in favor of *Hilmarc* of the 10-storey MSHS through falsification of documents, indubitably involving Grave Misconduct and Dishonesty. These charges, if proven true, constitute grounds for their removal from public service under the Revised Rules on Administrative Cases in the Civil Service. Further, since their respective positions give them access to public records and influence to possible witnesses, and considering the apparent repeated and similar schematic pattern applied in these transactions, respondents' continued stay in office may prejudice the cases filed against them.²⁰ Thus, *their preventive suspension without pay for a period of six months is in order.*

WHEREFORE, complainant's prayer to place respondents JEJOMAR ERWIN SOMBILLO BINAY, JR., PIO KENNETH ILANDO DASAL, LORENZA PUNZALAN AMORES, NORMAN DOMINGO FLORES, LEONILA DE GUZMAN QUERIJERO, CECILIO P. Accordingly, pursuant to Section 24 of R.A. 6770, in relation to Section 9, Rule III²¹ of Administrative Order No. 07,²² as amended, they are

²¹ Section 9. *Preventive Suspension.* - Pending investigation, the respondent may be preventively suspended without pay if, in the judgment of the Ombudsman or his proper deputy, the evidence of guilt is strong, and (a) the charge against such officer or employee involves dishonesty, oppression or gross misconduct, or gross neglect in the performance of duty; or (b) the charge would warrant removal from the service; or (c) the respondent's continued stay in office may prejudice the just, fair and independent disposition of the case filed against him.

The preventive suspension shall continue until the case is terminated; however, the total period of preventive suspension should not exceed six months. Nevertheless, when the delay in the disposition of the case is due to the fault, negligence or any cause attributable to the respondent, the period of such delay shall not be counted in computing the period of suspension herein provided.

hereby PREVENTIVELY SUSPENDED for SIX (6) MONTHS WITHOUT PAY during the pendency of these cases. In case of delay in the disposition of these cases due to the fault, negligence, or any cause attributable to respondents, the period of such delay shall not be counted in computing the period of suspension.

In accordance with Section 27, paragraph 1 of R.A. 6770, this Order is **immediately executory**. Notwithstanding any motion, appeal, or petition that may be filed by respondents seeking relief from this Order, unless otherwise ordered by this Office or by any court of competent jurisdiction, the implementation of this Joint Order shall **not** be interrupted within the period prescribed.²³

The Honorable Secretary of the Department of Interior and Local Government, **MANUEL A. ROXAS II**, is directed to implement this Joint Order immediately upon receipt hereof and notify this Office within five (5) days of the status of implementation.

SO ORDERED.
