Editor's Note:

Summer is a well-loved season for many reasons. People take advantage of this period to get out of the city and travel the world. For some, travelling gives one a new and deeper perspective of their surroundings and, in a sense, of life, while for others, travelling is a chance to reconnect with loved ones who live miles away from them. This edition of Kapuso Abroad touches on both as it shares some of our Kapuso artists' experiences overseas and brings Filipinos closer to home by introducing the newest offerings of GMA that would surely warm the hearts of our kababayans who are missing the Philippines.

This issue will take its readers to places through its travel-oriented stories. Join Lovi Poe and Rocco Nacino tour Europe, and plan your backpacking trip around the Philippines with the help of GMA's travel programs. Get the first scoop on the intriguing show starring GMA Primetime royalty Dingdong Dantes and Lovi Poe, who will be joined by our newest Kapuso and Diamond Star Maricel Soriano. See the lighter side of our Kapuso Dads such as Howie Severino, Cesar Apolinario, Ivan Mayrina, Jay Taruc, and Jiggy Manicad, and get to know the freshest crop of young Kapuso artists to watch out for.

Indeed, mainit ang summer ng Kapuso with many events and big program launches coming our way. GMA International is joining not only our jet-setting subscribers but also those who will be celebrating Philippine Independence Day in various parts of the globe. Through our three international channels, GMA Pinoy TV, GMA Life TV, and GMA News TV International, we will actively take part in Philippine Independence Day events and spread happiness among our kababayans through our artists, games, and other gimmicks that will leave a smile in every participant's faces. Our channels will also bring the fun right into the household with new shows that will excite the senses and entertain our viewers in the comfort of their living rooms.

Maraming salamat sa masugid na pagsubaybay, mga Kapuso!

Tatlong Puso, Isang Kuwento sa

Ang DALAWANG MRS. REAL

on GMA Pinoy TV™

Isang kakaibang kuwentong tungkol sa pamilya at pag-ibig ang handog ng **GMA Pinoy TV** sa mga manonood nito abroad through ***Ang Dalawang Mrs. Real*****.** Pagbibidahan ito ng tatlo sa pinakamalalaking artista ng GMA 7 – si **Dingdong Dantes** bilang si **Anthony**, si **Lovi Poe** bilang si **Shiela**, at si **Maricel Soriano** bilang **Millet**.

Ito ay kuwento ni Millet, isang babaeng lumaking mayaman ngunit may pagpapahalaga sa kung anong meron siya. Hindi man bibiyayaan ng anak, iniaalay ni Millet ang kanyang oras at atensiyon kay Tonton, ang batang kanilang inampon, at sa asawa niyang si Anthony.

Ito ay kuwento ni Shiela, isang babaeng matapang at mahilig makipagsapalaran. Ang kanyang paniniwala sa pag-ibig at sa hatid nitong mahika ang magtutulak sa kanyang umibig kay Anthony, na makikilala niya nang madestino ang lalaki sa Cebu. Lingid sa kaalaman ni Shiela, ang iniibig niya'y may asawa na pala.
